About us

PRADO HOME & OFFICE FURNITURE

We are a young dynamic company with highly skilled, committed and motivated individuals. We have a passion for our work and believe that this is reflected in all that we do.

Starting its journey in the year 2015, the organization runs distinct brand PRADO.

We very well know that furniture at home or your office should be comfortable to use, serve its basic purpose and also be eye catching. From design to manufacture, order to delivery, our experience, professionalism and meticulous attention, ensure that you receive the World Class product and service. The company is ISO 90001 approved, thus all products come with a level of guarantee in quality.

The website is just a small taste of what is a comprehensive and evolving product portfolio. For further information, or details please do not hesitate to contact us.

True Comfort and Functionality

The furniture for the staff from the PRADO Collections allows customers to build modern working stations by ensuring that the working space is properly organized and all necessary items are at arm's length. The basis of the series is made up of modules with rectangular desk tops united by a frame with or without additional partition screens. The distinctive feature of this collection is a possibility to organise paired working places for the staff in one row (an «endless» desk).
